

Scottish Journal of Geology
Volume 43, Part 1
Pages 1–88, 2007
(No. 124)

CONTENTS

TETLIE, O. E., ANDERSON, L. I. & POSCHMANN, M. <i>Kiaeropterus</i> (Eurypterida; Stylonurina) recognized from the Silurian of the Pentland Hills	1
BANKS, C. J. Exceptional preservation of sedimentary structures in metamorphic rocks: an example from the upper Grampian Group, Creag Stalcair, Perthshire . . .	9
SMALLWOOD, J. R. Maskelyne's 1774 Schiehallion experiment revisited	15
FAITHFULL, J. W. A Scottish 'diamond' specimen rediscovered and re-identified: the first Scottish occurrence of piemontite	33
ANDERSON, L. I., CLARKSON, E. N. K., STEWART, S. E. & MITCHELL, D. An Upper Llandovery Konservat-Lagerstätte in a depositional context: the Pentland Hills Eurypterid Bed, Midlothian	41
MUIR, L. A. & BOTTING, J. P. A Lower Carboniferous sipunculan from the Granton Shrimp Bed, Edinburgh	51
BEARD, A. D. & DRAKE, S. M. A melilite-bearing high-temperature calcic skarn, Camasunary Bay, Isle of Skye	57
FEARNHEAD, F. E. & HARPER, D. A. T. <i>Petalocrinus</i> (Echinodermata, Crinoidea) from the Llandovery (Lower Silurian; Rhudannian) of the Girvan district, SW Scotland	69
SHORT COMMUNICATIONS	
DONOVAN, S. K. Collectors, curators and the fossil record: a reply to Hope (2004)	75
FEARNHEAD, F. E. & DONOVAN, S. K. A cladid crinoid (Echinodermata) from the Llandovery (Lower Silurian) of the Girvan district, SW Scotland	79
BOOK REVIEWS	83
